Dear Mr. Popko,

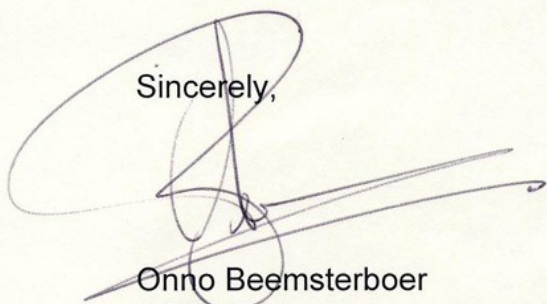

Congratulations on successfully completing the Orion Ground Operator's VSAT Certification Training Course. Your participation and positive efforts were highly appreciated and I hope that you had a good time in Hannover.

As Loral Orion moves closer to the goal of being a global telecommunications service provider, we recognize the importance of having well trained, outstanding local support working with us to provide fast, easy, and barrier-free services to our customers. Loral Orion is very pleased that you are now a part of our service team.

In recognition of your past efforts and your anticipated contributions to Loral Orion I would like to thank you again for your cooperation and support.

I really look forward working with you in the future.

Sincerely,

Onno Beemsterboer
